## Summary

"Hello there! I'm a dedicated Data Scientist with a passion for Python and Machine Learning . I also wear my Front End Dev hat when crafting immersive user experiences. As a fervent Tech Enthusiast .

Currently, I'm part of NxtWave's CCBP 4.0 Academy, where I've found my true calling. The coding challenges and hands-on projects here fuel my curiosity and drive for innovation. I'm excited to be part of the Industry's first-ever IRC 4.0 initiative, gearing up to embrace fresh challenges in the ever-evolving tech world.

Let's connect and explore the exciting world of #DataScience, #Python, and #MachineLearning together. Whether it's discussing the latest trends or collaborating on groundbreaking projects, I'm always up for the journey.

Looking forward to connecting with fellow tech enthusiasts and data aficionados! #TechEnthusiast"
